Hurricanes by Bill Oei

2nd Grade Boys Hurricanes

"Ten 2nd grade boys were part of the WPC Hurricanes. The team's focus was to try to glorify God in all that we did. We had a devotion/team time 30 minutes before the practices. We were blessed to see that each boy was a professing Christian and very interested in learning more about his faith. As we went through the details of the gospel, all the boys seemed to develop a greater appreciation for the perfect life of Jesus, the satisfaction of the wrath of God for their sins by Jesus' substitutionary atoning work on the cross, and His resurrection. The basketball emphasis was for each player to focus upon honoring God with his effort and attitude. There were marked gains in basketball feel and skills for all of the

boys, which led to tremendous improvement for the team as a whole. We could not have been happier with the team's overall transformation.

The parents of the children were especially great and participated at every level. They helped coach the practices, cheered supportively at games, and treated all the coaches and players with respect. The team parents (Carlos and Jeanette Gutierrez) went above and beyond all expectations and were central to the overall success of the season. Praise God for putting together such an amazing group of kids and adults to glorify Himself through playing and working together as a team!"

Coach Bill Oei and Jeff Matsuda

Spartans by Denise Bugarin

The Spartans are happy to be playing their second season in the SEYO League. Being a brand new team last year, the boys were still learning to adjust to each others' playing styles, and unfortunately resulted in a 0 and 10 record. With returning players Nicholas Bugarin, Brandon Farrell, and Justin Quong, the Spartans were ready to face the challenges of the new season. This year, the team was fortunate to welcome new players: Carlton Chang, Jacob Fajardo, Peter Le, Kyle Oyama, and Milad Shoar.

While this past season was still a tough one, the Spartans managed to get a couple of wins under their belt. They won their first game of the season, and this was an especially memorable moment for Milad and Justin, given last year's record. Brandon and Peter were also proud of their performance against the Warriors, only losing the game by 1 point (compared to losing last year by 40 points). Kyle had a great memory from one of the games where, as he was driving down the court, he was fouled, and still made the extra point. Nicholas and Jacob, who have been playing basketball since they were 3, were just happy to be playing together again on the same team.

While not playing basketball, our boys are very busy, with interest and involvement in tennis, soccer, swimming, ping pong, piano, clarinet, bike riding, hanging out with friends, and traveling - not to mention video games! The team looks forward to next year's season and will be practicing and participating in tournaments until then to improve upon their skills.

Purple Panthers

by Alan Tao

WPC Purple Panthers 3rd Grade Boys
White Pounce on the Opponents:

Coached by Bob Okajima and Earl Pacis, the mighty Purple Panthers have played their hearts out in the SEYO Boys White division. Season highlight: All 8 players had scored baskets to help their team. Great job Alex Yan, Bradley Okajima, Caleb Mei, Jonah Pacis, Joseph Kim, Kenny Tao, Micah Pacis and Seth Huynh!!

Sabers by Brian Williams

Boys 4th Grade

The Sabers had a great 7-3 season! While our season end record reflects a winning season, what the record doesn't reveal are the nail biting games during these last few months. There was much excitement and cheers during the games, and the boys played well under the pressure, showing great sportsmanship, winning or losing. The

team has matured not only in their basketball skills, but they have continued to learn what it means to be a witness and an example of Christ on the basketball court. We're thankful for a great season and look forward to what God has in store for us next year!

Boys PWU Rockets

by Helina Chang

What an exciting season for the Pee Wee Rockets. New players Derrick Teshiba, Justin Takiguchi and Ryan Takiguchi joined returning players Athan Liu, Divij Karnani, Ethan Hanning, Jonathan Cheng and Nathan Chang as they worked on skills both on and off the court. Head coach Dean Takiguchi and assistant coach John Ishihara helped each player make noticeable improvements in their basketball fundamentals and basic understanding of the game. We saw tremendous growth from first game to last in defense, turnovers, rebounding and making good passes. The team headed into the playoffs with a 6-1 record, eager to rematch the only team they lost to. Though they came out short after two overtimes and sudden death, the players never gave up and exemplified beautifully the motto that if "thou didst thy best, that is success." Each week, Coach Dean shared a devotion from John Wooden's Pyramid of Success and stressed the importance of industriousness, enthusiasm and team spirit. And by those standards, Pee Wee Rockets had great success this season!

Stars by Jeff Amimoto

The WPC Stars 3rd grade girls' team concluded a successful season which saw the "thrill of victory" and also the "agony of defeat(s)." The Stars won a game on a steal and layup right when the buzzer sounded. This game was truly exciting with all the girls jumping for joy. One game was lost in overtime and another game was lost in sudden death overtime. Just a few lucky bounces and those losses could have been wins. The agony of those losses was quickly erased by the wonderful snacks that they received after the games. The season was truly a "blessing" highlighted by having each girl score at least one basket. Seeing their excitement after having scored brought joy to the faces of all the coaches. All eight girls returned this season having the opportunity to get to know each other even better. Thanks to all the coaches, team mom, and parents for their support this season.

Mochi Monsters

by Tom Tengan

The inaugural season of the Mochi Monster, 2nd Grade Girls team was a huge success. This was not because of the number of games won or lost, or how many points were scored, but due to the development of these eight fantastic girls as players and teammates.

Our coaching staff has been truly blessed this season to have the opportunity to work with these girls and their families. From the first practices, where fundamental skills had to be learned and shooting and passing were far from second nature, these girls have evolved to weaving the ball up the court on fast breaks, routinely making bank shots from 10 feet and frustrating opponents with a smothering defensive style. These players possess such a great desire to listen and learn new skills and all with a fantastic attitude.

We also enjoyed including prayer time before and after practices and games to thank the Lord for all of His blessings. I would sincerely like to thank Renzo Nakata and Kris Mikami for their time and dedication to coaching with me this season and making this a truly enjoyable experience.

WPC Sharks

by Victoria Rutledge

The 2012 sixth grade boys white Sharks are enjoying a great season! We're blessed to have the continued leadership of Coach Curt Kawata and Assistant Coach Scott Beltran. Most of our team is made up of returning players but we were happy to welcome the Suzukis to our Shark family this year. Their son Brett has been a very valuable addition to our line-up. Returning this year were our star shooting guards Christian Beltran, Charles Kawata and Jake Yee; our ball-stealing defensive star, Jaron Wong; our board-pounding forwards AJ Magsarili and Caleb Shihara; and ruling the key are our centers, the talented Caleb Williams and freakishly huge DJ Rutledge.

The boys are growing mentally as they learn the subtle nuances of the game, physically as they transition into young men and spiritually as they enjoy the fellowship and camaraderie of teammates who support and encourage one another. Our shark families hope these friendships will last a lifetime and are so happy to be involved in the WPC Sport Program. It's good for the boys' bodies, minds and souls! GO SHARKS!

Shooting Stars

by Lance Miyatake

It has been a truly amazing season for the Shooting Stars. We saw the girls improve exponentially both as individuals and collectively as a team. The reason for this improvement is no mystery. Our progress as a team this season was a direct result of involved parents, committed youth coaches (Jocelyn, Kimberly and Tracie) and enthusiastic players. The Shooting Stars have continued to show a high level of motivation throughout the season. There have been numerous times these past weeks where we saw players going all out during practice. Our games have been characterized by unselfish play and move importantly, big smiles.

Our ongoing primary objective as a team is to be examples of Christ followers through our behavior on and off the court and the girls have done a wonderful job at this by showing sportsmanship and being gracious. It's been an honor to coach them. An appropriate verse for our team this season is 1 Timothy 4:12 "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity."

Erin, Kara, Lauren I, Lauren J, Lindsey, Lisa, Mia and Olivia, we are extremely proud of all of you. Thanks for a great season!

Coaches Lance, Lou and Greg

Lazers 2nd Grade Boys

by Russell Matsuda

Our Lazers (Andrew, Connor, Daniel, Ethan, Kai, Kyle, Luke, Michael and Timmy) were incredible this season! This was our first actual season playing in "real" games with referees and the boys came out ready each and every week to work hard, have fun and race to the snack bags afterwards. We held our own against the teams in our division, played solid team ball and learned a lot for next season (boys and coaches!). We coaches couldn't be prouder!

We could see improvement in each player in every game and enjoyed the positive attitudes and focus. In addition, we would like to thank the parents for their awesome dedication, support and cheers. Huge THANKS also to Coach Kevin and Coach Brian, who were always there with smiles, encouragement and high fives. This was a great season and we're looking forward to seeing everyone back next year and for many seasons to come.

Eagles

by Todd Shibata

7th Grade Boys Eagles

After a winning season last year, the Eagles were challenged with playing in the Blue Division. The competition was difficult and the Eagles had many learning opportunities. The boys were challenged to give their best effort, regardless of the score, each and every game. The team improved throughout the season, especially managing and attacking full court defensive pressure. Along the way our team the Eagles won a few games. We discussed several of Coach Wooden's principles of success throughout the season. One principal that we discussed was self control. The boys learned that self-control is required both on and off the court. "For this very reason, make every effort to supplement your faith with ...self-control..." 1 Peter 1:6

Panthers by Joseph Kuwahara

The 6th grade WPC Purple Panthers have been together since 2007, a wild but fun group of girls. Most of the girls actually started before that in Little Hoopsters. It's been a blessing to see how they've grown into lovely young ladies, with a passion for fun. Our roster has changed a bit throughout the years, including welcoming two new players this season, but they adapt and welcome the changes.

Our team includes: Nikki Cheung, Cassidy Lam, Lauren Takiguchi, Chloe Lee, Michelle Kuwahara, Emily Ozima, Rachel Rhee, Ashley Chiang, Kayleen Fukushima and Trisha Lue. Our coaches were Wes Ozima, Sam Rhee, Joe Chiang, and Kristin Akiyama. Our Team mom was Ramona Kuwahara.

We had a great season, although our standings really didn't represent how well they did. Most of the games we lost were only by a few points, including against the top teams, but that did not seem to discourage our girls too much as long as there was good snacks and fellowship afterwards!

One highlight to mention is that the OCBC (the first place team) coach's wife came up to our team after the game and told our coaches how much they admired our girls for their sportsmanship and positive attitude on the court, as she commented that some of the other teams exhibit poor sportsmanship and bad attitudes. We pray in our huddle before each game that our girls will honor God with their play and exhibit good sportsmanship, and we are very proud of our girls for living out that prayer, which is much more important than a win for the standings.

Our team seems to have a positive outlook each season, with the following priorities: God, fun, practice, fun, games, snacks, fun, parties, fun, eating together, fun, etc.... get the picture?

Wild Monkeys by Todd Shibata

5th Grade Girls Wild Monkeys

The Wild Monkeys were happy to welcome two new girls to the team this year, Jordan and Heather. They are great additions, who quickly caught on to the Wild Monkeys fast and fun style of play. The returning girls (Jasia, Nicole, Stacy, Elianna, Miani, Lea, Malia and Hannah) enjoyed incorporating them into the team both on and off the court. A highlight for all the girls was doing what Monkeys do the best, jumping around. They enjoyed a great time at Sky High for Elianna's birthday party. The girls learned many of Coach Wooden's virtues from his pyramid of success. One such virtue was initiative. The girls were encouraged

to not let the fear of man (i.e. teammates, the other team, coaches, and friends) from having the courage to make decisions, take action and do the right thing. "The fear of man lays a snare, but whoever trusts in the LORD is safe." Proverbs 29:25

Cobras - Boys Junior Lower by Coach Gary Wong

Cobras enjoyed another great season with many fond memories and exciting game situations. Beginning with the 2011 tournament season, the Cobras earned first place honors in the Dodgers, Jets, and Megalopolis tournaments and came in third in Tigers. During the Dodgers tournament in Las Vegas, the boys and their parents had a blast pigging out at the various buffets, having fun at a pool party at the Bellagio, and having the families participate in bowling and table tennis tournaments. The team also enjoyed our team parties. Events such as Lazer tag and go karting at Boomers and water fights with the coaches were a big hit.

This year, the Cobra family welcomed two new players to the team, William Kim and Calvin Le. Both players added even greater depth to our team, giving our team additional presence in the paint and perimeter. Their participation along with our core group of players played a vital role in leading our team's seventh consecutive first place finish in SEYO.

Thank you to our assistant coaches Gene Yee and Fred Palmer, for improving each player, and playing in our player / coaches scrimmages (made my job a lot easier). Special thanks to our Team Mom, Cynthia Shintani for overseeing our team obligations and being my sounding board. Thanks also to our amazing team photographers, Bob Shintani, and Kyung Chung and our team videographer, Michael Yee. The moments you capture on photos and film are amazing!

Thank you, Wintersburg Church for providing our players the opportunity to participate in the SEYO Basketball league. It is through this program that our team has continued their passion for basketball and where they have cultivated lifelong friendships for years to come.

Coach Gary Wong

WPC Players on Yonsei 19 Team to Japan by Mark Nakakihara

The Yonsei Basketball Program is a way for current 8th grade Boys and Girls to experience life in Japan and to learn about the culture of this country using basketball as the common thread. We are very fortunate to have two WPC players selected to this years Yonsei 19 team going to Shimane, Japan in August 2012. They are Rebecca Yoshinaka and Jordan Lam. Both players were selected by going through an application process which including writing an essay, a basketball tryout, letters of recommendations and a formal interview process. We hope that you get a chance to congratulate them on this great achievement and to enjoy their Yonsei experience.

Wintersburg Sports Ministry Mike Tanaka

Greetings! I love serving God, Wintersburg Presbyterian Church (WPC) and our Sports Ministry Program in my new role as a newly installed Elder (January 2012). My commitment is to continue growing in my faith and trust in our Lord and Savior Jesus Christ while working towards reaching others through our Sport Ministry Programs. The role in serving as an Elder for me in part is to strive to always be a steadfast representative of God, our WPC Community and the WPC Sports Ministries. I'm God's clay to be molded and to be used as he desires, to discern God's wisdom and direction I pray daily, "Lord God, may your will be done in all things today, AMEN!"

This year your help and support are needed to share in the vision of our Sports Ministries, always be ready to reach out your right hand of fellowship to welcome others in to our Christian community. Each of you players, parents, in-laws, grandparents, relatives, family, friends, onlookers, committee and core members are truly an integral part of the future vision and movement God has planned for us. Thank you for your role each of you play on/off the court, in/off-season and at church/at home, as God has a plan and it is being carried out through each of us. Let's embrace His plan, play your role and finish the race, AMEN!

I look forward to serving this coming year and most importantly providing open doors to those who are seeking God.

With a humble heart,

Mike Tanaka- WPC Sports Ministry Elder

Mark 12:30 -The Greatest Commandment 30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.

Tournaments by Todd Shibata

Now that the season has ended, what is next for your team? One idea might be to enter a tournament. Tournaments provide a good opportunity for your team to continue to play together in the offseason and for families to enjoy each others company. There are a number of tournaments located in southern California throughout the spring and summer. The opportunity to be challenged by SEYO teams and other similar organizations awaits you at these tournaments. Are you up for the challenge? If you are interested, discuss playing in a tournament with your coach.

Tuesday Night Adult Basketball League

Adult league for Wintersburg, Crossroads or LifeSong members.

What: Open gym EVERY Tuesday Night from 8-10pm

Where: South Coast Chinese Cultural Center, 9 Truman St., Irvine, CA 92620

There will be a cover charge at the door. Come enjoy the fellowship, fun and exercise!

For any questions or if you would like to help please contact Howard Wong email: hwong@passco.net

Kings
By Karen Real

Boys 6th Grade White

The Wintersburg Kings who are guided by coaches Dayn Araki and Kiyoshi Lee completed their second season in the league this year. The Kings started out slowly as they lost three returning players, but were blessed with picking up four new players who all contributed immensely to the success of the team. The season began with a 1 and 4 start, but as the boys slowly regained their self-confidence they were able to build momen-

tum through dedication and hard work and went on a winning streak at the end of the season. Under the guidance of coaches Dayn and Kiyoshi, as well as a little extra practice with many of the team's fathers, the boys have made great progress this year. It has been very exciting to watch them develop and play as a cohesive team. Everyone is looking forward to a great season next year!

Blitz
By Mike Tanaka

The WPC Blitz participated in the 3rd grade boys' team this season and experienced quite a thrill ride. Highlights of the season tell a story of how this team came together and grew in each other's arms. They truly enjoy their teammates, respect their coaches/parents, and represented the ministry in the most awesome way. Through a team oriented approach, our players learned a lot about who they are and what they can accomplish. We look for these lessons in sports to translate to life in general and mostly in building their relationship with Christ Jesus. Some of the virtues bestowed in them are Poise, Confidence, Cooperation, Teamwork, Skill and Enthusiasm. We look for our Lord to grow these seeds that have been planted in these

young men and we expect a great harvest from them. In Jesus's precious name we commit our love to these boys and their futures, Amen! FYI- look for the Blitz in the Tiger's Tournament, Pasadena Bruins, Nikkei Games 3 on 3 and VFW Tournament during our off season.

Coach Mike, Scott, and Lenny

Lightning

By John Tadokoro

In their 2nd season together as the WPC Lightning, this eight girl team of Sarah Yee, Rachel Yamato, Melissa Quon, Lauren Ono, Mia Farrell, Erin Bashir, Megan Mikami, and Jessica Tadokoro has improved in so many ways. They improved in their team work, defense, rebounding, aggressiveness, driving into the paint, free throws, taking shoots, and in team goals as well as personal goals. They even improved in their ranking from last season! Of course we couldn't have done it without the coaching assistance of Art Yee, Jerry Farrell, and youth coach Lauren Hirano.

The team had a rough start to this season with a record of 0-4. Tough losses to OCO, OCBC and both NOR teams. Midway through the season things started clicking for the girls and they started to win. At the end of the regular season the girls are now 4-4. The girls pulled out wins against some good teams, two VFW teams, WPC Shooting Stars, and AFMC. Our girls played some good tough teams. We didn't quite get the win in our play-off game, but our girls played hard.

Special thanks to the parents, grandparents, siblings and friends cheering them on at practices and games! These are a fun loving bunch of girls!! I am so proud of them and look forward to next season with this team. God truly brought these girls together to form a great team. Phil 4:13 - I can do all things through Christ who strengthens me.

Warriors

By Sharon Deng

Warriors 4th Grade Boys

Our boys have had a fantastic season! This is the 3rd year that they have played together and every year they get better and better! Under Coach Alan Liu and Assistant Coach Peter Katsumata, the Warriors have focused on improving their basketball skills. As a parent, it is wonderful to see the boys improve individually and also as a team. Individually the boys are all okay, but as a team they bring out the best in each other. We do not have just one star player, we have 9 of them! We look forward to seeing them grow within the sport and within the WPC sports ministry!

Vanguards

By Mike Tanaka

The WPC Vanguards participated in the Boys 6th Grade Blue Division in which we took 2nd place just one win short of the Championship. We had an outstanding season this year, with a well balanced and very athletic team. There were so many basketball highlights experienced this season; scoring almost 60 points in one game and in another game our team combined for almost 110 points total, but the best highlights have been the development of our players into fine young role models. We've been blessed with solid team of young men who are all good basketball players with fine character qualities. Throughout the season, Coach Mike has been sharing devotionals with scripture passages from the Bible teamed together with prayer before and after each practice and game. The boys have done their best to compete on the court each Sunday, while applying the devotional lessons to their everyday lives. The coaches and parents are very proud of each player's development, accomplishments and character building during this past season. The Vanguard players are highly intelligent and athletic; we have the potential to produce another Southern California version of Jeremy Lin...

Make everyday a masterpiece - John Wooden

Coach Mike, Scott & Wes

Wintersburg Pine Valley Camp

Pine Valley Bible Camp, Pine Valley City (30 min east of San Diego). August 13th through 17th 2012. Bus will leave at 1 pm from Wintersburg. For incoming 6th to 9th grade kids. Each student will be part of a cabin, and will have a cabin leader to guide them throughout the week of various lessons and activities. We envision a Christ-centered camp where the students enjoy a week filled with team-building challenges, bible discussions, community support, character building, fellowship, worship, and games. There are lots of sports facilities at the camp such as volleyball, archery, baseball, basketball courts, swimming, zipline, and a game room. There will also be crafts and trails. Contact information: Dana Wakamoto email: dwdesigns1@att.net

"I consider everything a loss because of the surpassing worth of knowing Christ Jesus my Lord" Phil. 3:8

Dynamite

By Tim Sokoda

Pee Wee Girls - Team "Dynamite" A season of learning, bonding and a lot of fun. From the start we have been a "team" in all aspects from the players to the coaches and to the parents. Everyone has been so committed and patient. Some words to remember from the season are: "Box, Purple, Get the Ball, Can we take a water break, Homework and this weeks practice will be at..." I truly believe God has brought us all together and has been planting seeds in the girls and parents. I'm excited to see how God will use this team and their families for his glory. As one great philosopher once said..."it's been DYNAMITE!!!"

WPC Little Hoopsters 2012

Little Hoopsters is an introductory basketball program for children ages 5 to 7 years old and is organized by Wintersburg Sports Ministry. The program serves as a feeder to Wintersburg Presbyterian Church teams that participate in the South East Youth Organization (SEYO). The Little Hoopsters program focuses primarily on outreach by sharing the Christian message at each practice while introducing fundamental basketball skills at practice in a warm and caring environment. This summer will mark the 19th season of Little Hoopsters and the season will kick off on Sunday, July 15th and continue on Saturdays until September 8th. Applications will be available beginning in April. To ensure the success of the program, support from families and volunteers is needed.
