21st Annual Wintersburg Sports Ministry Golf Tournament

Our non-profit youth sports program is continuing to grow and now has over 700 boys and girls ranging from ages 5 to 18. The cost to keep our program running continues to rise every year. The proceeds from the tournament help cover the gym rental fees, as well as the insurance for the use of these facilities. We will also continue to contribute funds toward our building expansion project, with hopes of our very own gym by early 2019 ... construction is almost completed!

Today's world brings us new challenges to protect our children. We teach them about teamwork, respect, sportsmanship, and discipline each week. We need the help of each and every one of you. We need to set an example for our children that great things can be accomplished when everyone is involved.

Remember that "TEAM" stands for Together Everyone Accomplishes More.
